

Introduction to **FOODITY**

Samuel Almeida (F6S)

DRG4FOOD & FOODITY | Standardisation Workshop

5 December 2024

Funded by
the European Union

LOVE is the
best ingredient.

FOODITY

overview

the
FOODITY
vision

To put the control of citizens' food & nutrition data back into their hands

Overcome existing tools/ platforms' limitations to citizens' rights to sovereignty and transferability of personal data.

Empower people to have control over their own data to make healthier, environmentally conscious food choices.

Through data, contribute to better and more sustainable food and nutrition systems.

CORE *activities*

2 OPEN CALLS

12 PILOTS

**TOOLS & COMPONENTS,
RESPECTFUL OF DATA
SOVEREIGNTY**

**CITIZEN ENGAGEMENT
ACTIVITIES**

AWARENESS RAISING

STANDARDISATION
