

DRG4FOOD & FOODITY Final Conference - Call for Posters

The objective of the "A recipe for trust: food, data and our choices" call for posters is to provide a platform for our community to showcase ongoing and established work that addresses the intersection of food systems and the data.

Poster topics

Topics of interest include, but are not limited to, the following:

- Impact of digital platforms on food choices and health
- Data security in digital food and nutrition solutions
- Consumer trust in digital food and nutrition solutions
- Personal data for sustainable food systems
- Personal data for sustainable food choices
- > Privacy and ethics in food data collection
- > The role of personal data in personalised nutrition
- Personalised data and dietary habits
- > Transformation of food systems through (personal) data
- > Concerns, challenges and opportunities for personal data sharing in food & nutrition
- Data interoperability in food systems
- Data gaps in food and nutrition
- Digital responsibility goals

Submission process

The call for posters is open to the scientific and industry community. It is addressed to all researchers and professionals developing work aligned with the suggested list of topics.

The deadline to submit posters is **18 July 2025**. Results of the selection process will be communicated to all applicants by **30 July 2025**.

Authors are expected to use the poster template provided (A1 size, portrait) with contents written in English.

Authors of accepted posters are expected to be at the event to showcase their poster.

The Conference organising committee will handle printing locally.

Note: There is no cost to submit the poster or participate/ exhibit at the event, if selected. However, travel and accommodation are at the expense of the participant.

Selection process

Submitted posters will be subject to an evaluation process carried out **by a committee composed of DRG4FOOD and FOODITY members.**Key selection criteria will be alignment, relevance, originality, and clarity. All submitters will be notified of the evaluation.

Note: At least one of the authors of the submitted poster author is required to register and attend the Conference if selected.

Exhibition

Selected posters will be on display during the full duration of the Conference. Attendees will be able to discuss with the authors during the dedicated networking moments.

Selected posters will be subject to a vote by Conference attendees. The most voted poster will be announced during the Conference. The authors will be invited for an interview which will be promoted on the DRG4FOOD and FOODITY websites. All posters will also be promoted on the project channels.
